

For paper presenters

- Each presentation room is equipped with a screen projector, a speaker, and a PC (with Power Point 2007 or 2010). It does not have a VCR or a OHP machine.
- If you are a Mac user, please bring your own computer and adapters necessary to use the projector.

For poster presenters

- The size of the poster board at the conference site is: .
- As long as your poster fits within the board, there is no restriction on the size.
- We do not have PC power outlets or internet access available for poster presentations.
- We will provide the thumb tacks to put up the posters.
